MUPY welcomed medical lecturers and students from University of Wisconsin-Madison

May 20, 2015

On May 20, 2015, Prof. Varaporn Junyaprasert, Assistant Dean for Research, along with Prof. Opa Vajragupta, Assoc. Prof. Primchanien Moongkarndi, and Dr. Jiraphun Jittikoon cordially welcomed medical lecturers and students from University of Wisconsin-Madison, USA. On this occasion, they had a chance to attend special lectures given by MUPY lectures concerning Research activities at the Faculty of Pharmacy, Mahidol University, Test Kit Development, and Drug Discovery and Drug Design. Furthermore, they visited MPIC to study its operation and services as well.
